SECTION 100 DEFINITIONS	SECTION 100 DEFINITIONS
<p>ITEM 100</p> <p align="center">DEFINITION OF TERM "NOGC"</p> <p>The term "NOGC" as used in this tariff, means "New Orleans & Gulf Coast Railway Company", a wholly owned subsidiary of Rio Grande Pacific Corporation.</p> <p>NOGC Stations include: Westwego, Marrero, Harvey, Gretna, Gouldsboro, Algiers, Kurt, Fort St. Leon (Packard), Belle Chasse, Oak Point, Alliance, and Myrtle Grove, LA.</p>	<p>ITEM 115</p> <p align="center">DEMURRAGE LIABILITY</p> <p>Any person or entity receiving rail cars from a rail carrier for loading or unloading who detains the cars beyond the period of free time set forth in the governing demurrage tariff will be held liable for any applicable demurrage if the carrier has provided that person or entity with actual notice of the demurrage tariff providing for such liability prior to the placement of rail cars. The notice required by this section shall be in written or electronic form.</p>
<p>ITEM 110</p> <p align="center">PAYMENT OF CHARGES</p> <p>Customer shall be liable for payments of the transportation charges accruing on a shipment and nothing herein shall limit the right of the NOGC to require at time of movement, shipment or delivery the prepayment or guarantee of charges, unless Customer has entered into an agreement for credit with the NOGC. Customer will pay NOGC immediately upon presentation of a bill therefor by NOGC. If charges have not been prepaid, or customer has not entered into an agreement for credit with NOGC, the NOGC will not accept shipment from customer, make delivery of shipment to customer or accept request for any other movement of car without payment or guarantee of all outstanding or current charges.</p> <p>Acceptance of shipment by Customer shall be deemed acceptance of responsibility for payment of all charges accruing on the shipment, including, but not limited to demurrage, switching and all other charges that may be applicable. Such payment shall be in U.S. money and cannot be reduced to offset claims, damages to property, or for any other reasons.</p> <p>FINANCE CHARGES: The NOGC will assess a finance charge of 1% per month (12% per annum) unpaid bills thirty (30) days past due, including, without limitation, demurrage, switching and all other charges which are not paid within credit period. The finance charge continues to accrue daily until payment is received by NOGC.</p> <p>If NOGC, at its sole discretion, uses a collection agency or attorneys to collect delinquent bills for freight or other charges and NOGC is successful in collecting such charges, Customers shall reimburse NOGC for all reasonable collection costs, including reasonable collection agency fees and reasonable attorneys' fees.</p>	<p>ITEM 120</p> <p align="center">INTRA-PLANT AND INTRA-TERMINAL SWITCHING DEFINED</p> <p>Intra-Plant Switching - A switching movement from one point to another on the same track, or from one track to another within the confines of the same plant or industry without leaving tracks of industry.</p> <p>Intra-Terminal Switching -The movement of cars, loaded or empty, from one station or point beyond the confines of one industry/plant on the NOGC to another station or point on the NOGC.</p> <p>Note: The industry or firm providing switching instructions to NOGC is responsible for the payment of intra-plant and intra-terminal switching charges.</p>
	<p>ITEM 130</p> <p align="center">TEAM TRACK DEFINED</p> <p>A Team Track provides rail service for loading and unloading non-hazardous commodities for customers which have no named track of their own.</p>
	<p>ITEM 140 [C]</p> <p align="center">MILEAGE ON RAILCARS</p> <p>No mileage payment <u>on private cars</u> will be allowed by the NOGC.</p>
