Customer will pay NCRC immediately upon presentation of a bill therefor by NCRC. If charges have not been prepaid, or customer has not entered into an agreement for credit with NCRC, the NCRC will not accept shipment from customer, make delivery of shipment to customer or accept request for any other movement of car without payment or guarantee of all outstanding or current charges.</p> <p>Acceptance of shipment by Customer shall be deemed acceptance of responsibility for payment of all charges accruing on the shipment, including, but not limited to demurrage, switching and all other charges that may be applicable. Such payment shall be in U.S. money and cannot be reduced to offset claims, damages to property, or for any other reasons.</p> <p>FINANCE CHARGES: The NCRC will assess a finance charge of 1.0% per month (12% per annum) unpaid bills thirty (30) days past due, including, without limitation, demurrage, switching and all other charges which are not paid within credit period. The finance charge continues to accrue daily until payment is received by NCRC.</p> <p>If NCRC, at its sole discretion, uses a collection agency or attorneys to collect delinquent bills for freight or other charges and NCRC is successful in collecting such charges, Customers shall reimburse NCRC for all reasonable collection costs, including reasonable collection agency fees and reasonable attorneys' fees.</p> |

| <p>ITEM 55</p> <p align="center">SECURITY DEPOSIT</p> <p>For customers who have established credit with the NCRC, a deposit to secure payment of any freight, demurrage, storage, detention, switching or other accessorial charge that may accrue will be required from such customer who has failed to pay demurrage, storage, detention, switching or other accessorial charges when due under applicable laws and regulations. (Customers as referred to herein shall mean any and all consignors, consignees, beneficial owners or other responsible parties.)</p> <p>The deposit must be paid before any freight car or trailer is delivered to such customer for loading or unloading.</p> <p>The minimum deposit for each freight car will be the average amount per freight car of demurrage, detention, storage, switching or other accessorial charges outstanding at the time this tariff provision is invoked against Customer. The maximum amount of deposit will be determined by this railroad's credit office or through other alternative forms of security. The credit office may waive the minimum deposit per car by accepting a revolving deposit of \$1,000.00 to \$50,000.00 based on traffic volume. The deposit will be held in an escrow account to guarantee payment of and to be applied against any switching, demurrage, detention, storage or other accessorial charges which may accrue since the implementation of the security deposit arrangement.</p> <p>NCRC will refund the deposit or balance of the deposit within thirty (30) days after notification by its agents that the equipment has been released to NCRC. Any switching, demurrage, detention, storage or other accessorial charges will be deducted from the deposits before any refunds are made. The deposit or balance of the deposit may be transferable to another freight car to cover charges incurred since the implementation of the security deposit arrangement.</p> <p>Security deposits will no longer be required after the Customer has paid all outstanding switching, demurrage, detention, storage and other accessorial charges and has given assurance in writing to the satisfaction of NCRC's credit office that future switching, demurrage, detention, storage and other accessorial charges will be paid within the credit period.</p> | <p>ITEM 100 [I]</p> <p>COMMODITY: Corn (See Notes 1 thru 5) (Rates in dollars and cents per car)</p> | | | |
